## PROFILE

I am a Certified full-time remote front-end Expert with over 100 Shopify development

During my career, I dove deep into the more challenging technical stacks and by doing so have become extremely comfortable with javascript at an advanced level.

I always care deeply about excellent design, architecture, and performance.

I take pride in my work and hold myself to the highest professional standards. Clear, frequent, honest communication and delivering high quality, clean, documented and scalable code on time is my bread and butter.

I am happy to assist you 24/7/365 and I look forward to working with you.

**What our customers are saying...**

Peony H, Ohio  
This camera works great as a baby monitor and pet monitor. I bought it for my toddlers room to watch their daily activities and I was so happy that I can see the entire room, hear her and talk to her.

**MOBI CAM APP**

**Complete Motion Capture**

The MOBICAM App is 100% free and is available in iOS and Android users in the App Store and Google Play Store.
